Dear Mrs Hayward,

Thank you for your email dated 15 March 2018 regarding the above application.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

In the case of this development proposal, our interest is in the A3(M), specific to this application A3(M) J3.

Having examined the above application and its supporting evidence we do not offer any objections to this proposal as the proposal is unlikely to have significant impact on safe and efficient operation of the A3(M).

Regards

Mrs Beata Ginn
