Good morning Steve,

An amended plan has been submitted by the applicant in response to an objection made by Southern Water. Revisions have addressed the concerns of Southern Water. Prior to discharge of the condition I just wanted to check that you didn't have any further comments or concerns to raise in respect of foul or surface water drainage in respect of the amended plan?

Kind regards,

Rachel Ballam

Hi Rachel

Please see attached revised plan showing RWP.

Also I confirm that we will not be building within 500mm of the drainage as per our agreement with Southern Water.
