

Comments for Planning Application APP/17/01318

Application Summary

Application Number: APP/17/01318

Address: Havant College, New Road, Havant

Proposal: New 2m high, anti climb, welded mesh panel fencing and gates to be installed along south, south-east and south-west boundary of college grounds. Existing hedge row to be retained and fence set back 1.2/ 1.5m from back edge of footpath behind hedgerow.

Case Officer: David Eaves

Customer Details

Name: Mr Nik Knight

Address: The Old Farmhouse Wade Lane Havant

Comment Details

Commenter Type: Complainant

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: Just inside these hedges, particularly on the south east and south borders, there are trees that make an important contribution to the visual appearance and ecology of this part of Havant. There appears to be no consideration of those trees in this application. I would appreciate the involvement of our tree officers in determining this application, to assess whether it is feasible to carry out this fencing installation without harming those trees.
