

45 Mill Road

The plan is to have 3 Nail desks, a mirror/chair and a reception area in the main room, the back room will have a beauty couch(Beauty bed) and spray tan tent inside. There will be no employed staff but there will be staff on a self employed rent a chair basis. To start with there will be myself and 2 others but the busier the salon gets this may increase. The aim is to have about 3 customers in at a time for treatments lasting not much more than an hour meaning an average of 25 clients a day.

There is already a bin out the back of the store from the previous owner and the plan is to take over this contract for removal of waste. The opening hours may vary but should be open no earlier than 9am and no later than 6pm each day with one late evening up to 9pm one night a week. There is no intention of being open Sundays however this may change.

There is 2 car parks outside with 12 spaces which are available for anybody to use as well as on road parking available although there are no parking spaces specifically assigned to the building.
