Rachael in the list of documents there is no direct reference to condition 7. However reading the decision notice and referring to the plans you have itemised I am happy to approve the roadworks mentioned in this condition but I do not have the expertise to comment on the slip and sea defence proposals.

Good afternoon Peter,

A consultation response was received from Highways in respect of the above application which stated that no comments could be provided for Condition 7 as a submission had not been made for this condition.

Condition 7 was applied for as part of the application and the following documents supplied: plans 200, 201, 100, 101

Your comments regarding the internal infrastructure of the site would be greatly appreciated. Thank you.

Kind regards,

Rachel Ballam
