Email: Havant.Heritage@havant.gov.uk

On Behalf Of: Conservation Officer

Comments

Principal Conservation Officer No Objection

The chimney in question is a poor-quality addition on the building as it is not in keeping with the character or context of the building. I also noted from my visit that it was not in a particularly good state of repair. Therefore, its removal is not contested. It is therefore considered that these works do not cause any harm to the character of the conservation area and as such are considered acceptable.
