**The Town and Country Planning (Development Management Procedure) (England)  
Order 2015**  
**Refusal of Planning Permission**

---

**Application Number:** APP/18/00075

**Site Address:** 24 Blackthorn Drive, Hayling Island, PO11 9PA

**Proposal:** **Erection of 1No. 1bedroom chalet bungalow to the rear of the property .**

Further to your application received on 17 January 2018, which was valid from 22 January 2018, Havant Borough Council, as Local Planning Authority, **Refuses Planning Permission** for the above proposal.

The reason(s) for the Council's decision to refuse planning permission is/are:

- 1 Development of the site in the manner proposed would amount to overdevelopment in that it would give rise to an unsatisfactory plot size and a cramped and congested layout that would conflict with the established pattern of development in the locality, which would not provide satisfactory living conditions for the occupants and would have an adverse effect on the amenities of occupiers of adjoining property at 23 Blackthorn Drive such as would have an adverse impact on the amenities. The proposal is therefore contrary to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.
- 2 The proposed office/store is of a size to accommodate a second bedroom and the proposal does not provide adequate car parking for a 2 bedroom property. Consequently it has not been demonstrated that sufficient parking can be provided on site for the proposed development in accordance with the Local Planning Authority's adopted standards and the proposed development would therefore encourage the parking of vehicles on the public highway which would interrupt the free flow of traffic, detrimental to residential amenity and contrary to Policies the CS16, , and DM13 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.
- 3 The proposal, without the completion of the appropriate binding arrangements to secure a contribution towards the Solent Disturbance Mitigation Project, is contrary to the Council's Policy on mitigating the impacts of development which, in accordance with approved Policy DM24 of the Local Plan seeks to mitigate the impact of new residential development on the Solent Special Protection Area (SPA).

In coming to its decision the Council considered plans and other documents submitted with
