Commenter Type: Complainant

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: "Good ale needs no bush" is exceedingly appropriate here. The highly polarised shoppers of Hayling know what they want. I am 100% in favour of Lidl, the excellent quality and price they give, and their uniform price policy. Those who don't want Lidl won't go there; de gustibus non est disputandum. Those who do like will go. The former don't need signs, neither do the latter. I am 100% opposed to light pollution. They should save their money on signs and lights, and have another checkout operator.
