Reason: To protect biodiversity in accordance with the Conservation Regulations 2010, Wildlife & Countryside Act 1981, the NERC Act (2006), NPPF and Policy CS 11 of the Havant Borough Core Strategy March 2011.

- 6 Prior to the commencement of each phase/campaign of development activities a Construction Environment Management Plan (CEMP) shall be submitted to and agreed in writing by the Local Planning Authority. This shall include details of all avoidance and mitigation measures in relation to ecological features, to be informed by ongoing survey and monitoring works. In addition it will identify how works will comply with the requirements of the Bathing Waters Directive to ensure that the works are acceptable and will not have an impact on the Water Framework Directive Bathing Water Protected Area.

Reason: To protect biodiversity in accordance with the Conservation Regulations 2010, Wildlife & Countryside Act 1981, the NERC Act (2006), NPPF and Policy CS 11 of the Havant Borough Core Strategy March 2011.

Other Important Information:

- (1) This notice only relates to the decision of Havant Borough Council as Local Planning Authority under the Town and Country Planning Acts. It does not relate to any other application that may be required under the Building Regulations or under any other Act, Regulation, Byelaw or Order where the Council's approval may be needed. For further guidance as to the need for consent under the Building Regulations please

- (2) Your attention is drawn to the attached information regarding firstly your right to appeal to the Planning Inspectorate, if you are aggrieved by the Council's decision, and secondly the rights of an owner to, in certain circumstances serve a purchase notice on the Council. See www.planningportal.gov.uk/pcs.
- (3) Any failure to adhere to the details of the approved plans, and other documents or to comply with any conditions listed above may lead to enforcement action being taken by the Council. If you wish to depart from the approved details or conditions in any way you should contact the Planning and Development service at the Plaza or by telephoning 023 9244 6015.
- (4) In accordance with paragraphs 186 and 187 of the NPPF Havant Borough Council (HBC) takes a positive and proactive approach and works with applicants/agents on development proposals in a manner focused on solutions by:
 - Offering a pre-application advice service, and
 - Updating you of any issues that may arise in the processing of your application and where possible suggesting solutions, and,

In this instance:

- You sought and were provided with pre-application advice,
- (5) There must be no surface alterations to the right of way, nor any works carried out which affect its surface, without first seeking the permission of Hampshire County Council, as Highway Authority. For the purposes of this proposal that permission would be required from this department of the County Council. To carry out any such works without this permission would constitute an offence under S131 Highways Act 1980, and we would therefore encourage the applicant to contact us as soon as possible to discuss any works of this nature.
 - (6) Nothing connected with the development or its future use should have an adverse effect on the right of way, which must remain available for public use at all times.
 - (7) No builders or contractors vehicles, machinery, equipment, materials, scaffolding or anything associated with the works should be left on or near the footpath so as to obstruct, hinder or provide a hazard to walkers.
 - (8) If there is likely to be an effect on the footpath in terms of dust, noise or other obstruction during the period of the works, we suggest that a Health and Safety Risk Assessment be carried out, and if there is deemed to be a risk to users of the footpath, the applicant should contact the County Council directly to discuss the Temporary Closure of the footpath for the duration of the works. Temporary Closure Orders should be applied for at least 6 weeks prior to the commencement of works and details of how to apply can be found at <http://www3.hants.gov.uk/row/making-changes/temp-closures.htm>
 - (9) Any damage caused to the surface of the public right of way by construction traffic will be required to be restored to the satisfaction of the Rights of Way Officer, to not less than its minimum width, on the completion of the build.
