Re: Application for non-material amendment of Planning Permission App/16/00568 relating to change to the style of glazing of the larger windows, from a large single top hung window to 2no. opening side lights.

In acknowledging receipt of the above application I informed you that the target date for determination of the application was 09 March 2018. Subsequently an Extension of Time Agreed until 23rd April 2018 was agreed.

I am writing to advise you that for the following reason the Council is unable to determine your application by that date and I am writing to request agreement to the period of determination being extended under Article 34 of the Town and Country Planning (Development Management Procedure) (England) Order 2015.

Reason:

- To allow for change in description including additional items
- Following clarification in relation to the extent of the application
- To allow for further lighting details (to avoid light spill)

To extend the period please return, signed and dated, the slip below or alternatively please confirm by email within the next 5 working days. If you wish to discuss this request further, please contact me.

Yours sincerely

Mr D Eaves
