Subject: APP/17/00957: Northwood Farmhouse, Northwood Lane, Hayling Island FAO Mrs T Pickup

Dear Mrs Pickup,

APP/17/00957: Northwood Farmhouse, Northwood Lane, Hayling Island: Demolition of existing garage, construction of detached garden room/kitchen to south of dwelling and new detached garage with home office above to north of dwelling

Thank you for your consultation. The site is located within the historic core of North Hayling, in an Area of High Archaeological Potential (AHAP). However, the very small scale of the proposed development means that it would be unlikely for ground works associated with construction to expose any interpretable archaeological features. I would therefore not wish to raise any archaeological issues in this instance.

Yours sincerely,

Neil J. Adam BA ACIfA
Senior Archaeologist
