

FAO of Mrs R McMurray

Re: APP/18/00566 | Conversion of 1st and 2nd floors of A2 use building to form 3No. self-contained 2 bedroom apartments etc | 15 High Street, Emsworth, PO10 7AF

No objection

Natural England notes that your authority, as competent authority under the provisions of the Habitats Regulations, has undertaken an Appropriate Assessment of the proposal, in accordance with Regulation 63 of the Regulations. Natural England is a statutory consultee on the Appropriate Assessment stage of the Habitats Regulations Assessment process.

Your appropriate assessment concludes that your authority is able to ascertain that the proposal will not result in adverse effects on the integrity of any of the sites in question. Having considered the assessment, and the measures proposed to mitigate for all identified adverse effects that could potentially occur as a result of the proposal, Natural England advises that we concur with the assessment conclusions, providing that all mitigation measures are appropriately secured in any permission given.

Please note in future cases where the necessary avoidance and mitigation measures are limited to collecting a funding contribution that is in line with an agreed strategic approach for the mitigation of impacts on European Sites then, provided no other adverse impacts are identified by your authority's appropriate assessment, your authority may be assured that Natural England agrees that the Appropriate Assessment can conclude that there will be no adverse effect on the integrity of the European Sites. In such cases Natural England will not require a Regulation 63 appropriate assessment consultation.

Protected species

Please note we have not assessed the application and associated documents for impacts on protected species. Natural England has produced [standing advice](#) to help planning authorities understand the impact of particular developments on protected species. We advise that the standing advice is interpreted for you by your district ecologist, or an equivalent independent party with the necessary expertise. Natural England will only provide bespoke advice on protected species where they form part of a SSSI or in exceptional circumstances.

For clarification of any points in this letter, please contact me on 02080 261472

Kind regards

Rachael Clemson
Solent Planning Adviser
Dorset, Hampshire and Isle of Wight Area Team

Natural England offers two chargeable services – The Discretionary Advice Service ([DAS](#)) provides pre-application, pre-determination and post-consent advice on proposals to developers and consultants as well as pre-licensing species advice and pre-assent and consent advice. The Pre-submission Screening Service ([PSS](#)) provides advice for protected species mitigation licence applications.
