Thank you for your letter of 04/09/2017

Southern Water would have no objections to discharge condition 3 relating to foul drainage. An approval for the connection to the public foul sewer should be obtained under Section 106 of the Water Industry Act.

The Council's Building Control officers/technical staff and the environment agency should be consulted regarding the discharge condition 3 for surface water disposal.

Southern Water would have no comments to make with regards to other conditions being subject of consultation.

Yours sincerely
