Comments

I have reviewed the available documentation, and note that no new information relevant to c.3, c.5, c.17 or c.18 appears to have been added to the case following the previous consultation. In the absence of any revised assessment or proposals, the comments made under ref: CONS/17/01761 dated 15/09/2017 (JD) remain valid, and I would reiterate the objection to discharge of c.3. No adverse comment as regards either c.5, c.17 or c.18 on pollution grounds.
