598	Mrs	S	Cox	16 Southbrook Road	Havant	Hampshire	PO9 1RN	I support this development because Hayling does not currently have this sort of food outlet. I think it would add to the amenities, and with all the new housing there is a greater demand for shopping. Hopefully it would also reduce some of the traffic flowing off the Island to go to the shops in Havant.

619	Mr	B	Cross	18 Richmond Close	Hayling Island	Hampshire	PO11 0ER	Not before time. We need proper cometition on Hayling in order to keep prices down

621	N/C	Adam	Cruickshank	N/C	Hayling Island	Hampshire	N/C	I fully support this proposition. It would be brilliant to have a low cost alternative to the other retailers on the island. A welcome boost to the local economy, a boost for the congestion, and Lidl pay the living wage rather than the minimum wage - great for employees.

638	Miss	M	Darby	Flat 6, 161 Southwood Road	Hayling Island	Hampshire	PO11 9PY	Really think this would be good for the island as we're quite limited consumer wise plus the creation of job opportunities. 'Most definitely' for this development.
639	Mr	J	Dardis	57 Fathoms Reach	Hayling Island	Hampshire	PO11 0RR	We currently travel off the island for the majority of our food shopping. Having a LIDL nearby would mean we shop on Hayling

659	Mr	A	Davis	4 Walnut Tree Close	Hayling Island	Hampshire	PO11 9BD	I shop off the island at LIDL Havant and feel this would be a good value to the island and people. It would not affect local businesses as we already have Co-op, Tesco & Sainsbury (very pricey) compared with mainland

809	Mrs	Helen	Farne	10 Sea Front Estate	Hayling Island	Hampshire	PO11 9JJ	It would be nice not to have to drive 5 miles there and 5 miles back to shop off the Island. We do not have any major stores that are competitively priced, so it can only be a good thing. There will be no more traffic coming onto the Island, as there is already a Lidl at Havant.

811	Mrs	C	Farr	17 Wittering Road	Hayling Island	Hampshire	PO11 9SP	Looking forward to LIDL opening on Hayling. With so many new houses being built, we need a large reasonably priced supermarket. I think customers will come on the island to shop
812	Mrs	L	Fellgate	15 Mengham Avenue	Hayling Island	Hampshire	PO11 9JB	There are no decent supermarkets on Hayling Island that do not charge 30% more because of their location and ageing population. I travel to Havant and Waterloooville to shop on average I save Â£30 on a Â£100 shop. This is enough reason for all occupants of Hayling, it wuld also reduce traffic and support additional housing on HI.
813	Mr	W	Feltham	90 Seafront Estate	Hayling Island	Hampshire	PO11 9JL	I think it would be a great idea. More choice of where to shop on the island and more jobs

822	Mr	R	Fidler	50 West Lane	Hayling Island	Hampshire	PO11 0JL	No doubt the rich elderly will have their concerns. For this island to have a future it needs to support young people and parents and children who need to be able to shop at less expensive stores. It will also reduce congestions with fewer journeys on/off the island.
823	Miss	W	Field	62 West Lane	Hayling Island	Hampshire	PO11 0JL	I think it would be good to have LIDL on Hayling. They are a great boon for those who have limited income. I am elderly and disabled, but still drive. It would be nice to have a LIDL on the island

								I will be pleased to see a Lidl on the island, this i feel will provide a valuable service for many on the Island and prevent the need for us to go off the Island for our main shop, cutting down on time spent on shopping and road use leaving the Island. At the moment I usually use internet shopping once a month and just pick up a few bits in bwtween at the local shops from their limited range. I AM VERY MUCH IN FAVOUR for this build to go ahead.

925	N/C	John	Geden	N/C	Hayling Island	Hampshire	N/C	The prosed Lidl store would be a very good asset for this small community. I am a great lover of the Lidl brand and regularly travel to the branches in Chichester, Portsmouth or Waterloooville. I have read the proposal letter and I entirely agree with the points raised; the real bonus will be the creation of jobs in our community, the reduction in vehicle movements because people will not need to drive off the Island and of course the famous quality and price that Lidl is now known for.
926	Mrs	A	Gear	Oakley, Copse Lane	Hayling Island	Hampshire	PO11 0RJ	I'd be very happy to have a LIDL on Hayling

1192	Mrs	..	Hines	73 Sinah Lane	Hayling Island	Hampshire	PO11 OHJ	A less obtusive 'sign' half the height proposed in line with the store would be more favourable. The top half LIDL is unnecessary, already on the store.
1193	Mrs	..	Hinton	5 Swans Walk, Salterns Lane	Hayling Island	Hampshire	PO11 9TX	The car park should be controlled so as not to be abused by school parents using it. The age profile of local residents is such that 6 disabled spaces wouldn't be enough

1201	Mrs	K	Hoare	46 Salterns Lane	Hayling Island	Hampshire	PO11 9PJ	Yes please! Another large shop has been needed badly, as during summer months food runs out in our local shops, (owing to holiday people) as we all can't get off the island. Our roads have been made worse with all the buildings going up (flats) more cars. Good luck to your venture!

1291	Mrs	P	Hunt	42 Gorsway, 354 Seafront	Hayling Island	Hampshire	PO11 0BA	This is a good idea. So much better than continual building of elderly accommodation of which we have plenty. The Co-op needs some competition being our largest store. It is getting more expensive, and service could be better. 1298	Mr	D	Hurrey	12 Heath Close	Hayling Island	Hants	PO11 9QN	This island needs a shop like LIDL. At present we are ripped off by the others. The food is far more expensive than the mainland. It is about time some decent competition was in place instead of the "convenience" stores
1299	Mr	R	Hutchings	2 Lulworth Close	Hayling Island	Hants	PO11 0NY	We are in favour. Hayling needs a LIDL as we need more choice and the excellent value LIDL represents. 1318	Miss	S	Jackson	10 Lynden Court, 16 Gilbert Mead	Hayling Island	Hampshire	PO11 0RF	Being a single parent to a young child I can not afford to shop in the Co-op we have or convenience stores. LIDL would help a great deal as it would mean not having to use expensive transport off Hayling every week
1319	Mr	J	Jackson	11 Denhill Close	Hayling Island	Hampshire	PO11 0LD	Welcome to Hayling. Save me petrol going off the island and will help to keep the road clear to Havant. We look forward to competitive prices

1325	Mr	Daniel	Jackson	8 Chandlers Close	Hayling Island	hampshire	PO11 9TH	We currently shop off of the island as there are no affordable options on the island. We would much prefer to keep our spending in the local economy. We will continue to support local business as we currently do to supplement our weekly shop off of the island.
1326	Mrs	Joanne	Jackson	8 Chandlers Close	Hayling Island	hampshire	PO11 9TH	Hayling is desperately in need for a lower cost shopping option. The available supermarkets currently on Hayling Island are expensive options and not affordable to do a weekly shop. I, like many others I am sure currently shop off of the island at a rival discount supermarket. If an affordable option such as Lidl were located on the island then I would shop there as I would prefer to keep the local economy going to benefit my community. I currently do use local butchers, green grocers and the farm shop and this will not change. Lidl will compliment these other local business that we are so proud of. There are few job opportunities on the island and so creating new jobs can only further benefit the community.
1327	Mrs	Y	Jackson	Flat 3, 159 Southwood Road	Hayling Island	Hampshire	PO11 9PY	Would love to have a Lidl in Hayling Mainland. Bring it on please. Goof luck in getting your application passed.

1331	N/C	Jacqueline	Jackson	N/C	Hayling Island	Hampshire	N/C	A lidl store would be a very great help to me as it would only be half a mile away instead of 5 miles as I am not keen on driving to Havant.

1343	Miss	L	Jenkins	106 Fathoms Reach	Hayling Island	Hampshire	PO11 ORS	I will still buy my fruit and veg from farm shop but it will be great to have an economical option on Hayling for everything else.
1344	Mrs	G	Jenkins	2 Mariners Court, 96-98 Southwood Road	Hayling Island	Hants	PO11 9TB	Hayling needs a store like this. It would be such an asset. At present, there are only local shops like the Co-op who's prices are extortionate. Hayling has an elderly population to which many have difficulty going elsewhere. Everyone deserves choice
1345	Mrs	J	Jenkins	50 Selsmore Road	Hayling Island	Hampshire	PO11 9LE	I am very plaesed we will have a Lidl on the Island, it's long overdue. We need a Lidl. Myself and 2 friends go all the way to Leigh Park so this is great, you will see us 3 there every week. Well done.

1355	Mr	Robert	Jobber	100 Sea Front	Hayling Island	Hampshire	PO11 9HW	I support this proposed Lidl Store and the location and think it would be a welcome addition to Hayling Island where I have lived and shopped for over 25 years..My only comment would be the car park entrance/exit. I lived on Manor Road - in the first house on the left heading south past the proposed site - for several years and the road was one of the main reasons I moved to a different part of Hayling. That section of road is 40mph and gets very busy, especially in the summer, rush hour(s) and around the Mill Rythe school start and finish times.
1356	Mrs	M	Jobber	8 Blackthorn Drive	Hayling Island	Hampshire	PO11 9PA	Good news for all of us on Hayling.

1504	N/C	John	Laxton	N/C	Hayling Island	Hampshire	N/C	I think Hayling has a larger than average population of people on low incomes as pensioners or unemployed young people, and the transport cost to get to the nearest low-cost grocery is high. Affordable access to a LIDL would benefit many people here.
1505	N/C	Sian	Laxton	N/C	Portsmouth	po11 9np	N/C	I welcome a shop that would provide a cheaper alternative to present shops on Hayling, In my opinion, a shop like yours would give the residents of Hayling substantial benefits and increase choice on an island where choice is hampered by a limited access to shops in Havant due to expensive bus fares.

1560	Mr	A	Lock	15 Mengham Avenue	Hayling Island	Hampshire	PO11 9JB	There are no decent supermarkets on Hayling Island that do not charge 30% more because of their location and ageing population. I travel to Havant and Waterloooville to shop on average I save Â£30 on a Â£100 shop. This is enough reason for all occupants of Hayling, it wuld also reduce traffic and support additional housing on HI.

1565	Mr	..	Long	127 St Hermans Est	Hayling Island	Hampshire	PO11 9NE	It would be great to have a Lidl on Hayling. Save money on petrol. 1) The Co-op is going downhill because of staff shortages as they are not nice to work for. 2) Sainsbury's are so expensive and more people would take a taxi (as they are getting too old to drive) for such a short distance, easy to get to. Can't wait. Good luck.

								At last! It's about time we had a PROPER supermarket on the Island! I am fed up having to travel off the Island to access a supermarket with real variety of stock and reasonable prices. The only options I have on Hayling Island for my shopping is 'random' stock at hugely inflated prices! I am sick of paying over the top for the 'privilege' of doing my shopping on the Island. Currently I have to travel off the Island to do ANY of my shopping. What an absolute boon it would be to have this supermarket with access to its gods at 'mainland' prices on my doorstep. A much eagerly anticipated update to Hayling's facilities.

1622	N/C	Robert	Markham	N/C	Hayling Island	Hants	N/C	Yes this would be very welcome for the Island, as long as the pricing structure is the same as all other Lidl stores in the UK. 1668	Mrs	..	Mchoskey	127 St Hermans Est	Hayling Island	Hampshire	PO11 9NE	It would be great to have a Lidl on Hayling. Save money on petrol. 1) The Co-op is going downhill because of staff shortages as they are not nice to work for. 2) Sainsbury's are so expensive and more people would take a taxi (as they are getting too old to drive) for such a short distance, easy to get to. Can't wait. Good luck.

1677	Mrs	S	McQuilken	14 North Crescent	Hayling Island	Hampshire	PO11 9LR	Hayling is consistently being developed with new housing but none of the infrastructure or services for the population. With the additional jobs which I hope you will offer to Hayling residents, we welcome your proposal

2360	Miss	C	Swan	92 Seafront	Hayling Island	Hampshire	PO11 9HL	I think it's a great idea to bring your store to the island. It's about time we had a proper supermarket here.
								I believe we need lidl on hayling island because many people have to leave the island to do their weekly shopping as shops on hayling island are very high priced. People who don't drive this will add at least Â£ 8.10 per week for taxis back with their shopping. This is ok for people that can afford it. However with the new build going on many new people will be moving to hayling island over the next few years with families they will find this extremely costly. The traffic queues off and on the island for shopping trips are ridiculous now. We only have one real supermarket which not only is extortionate in their prices but in the holiday season they raise their prices and the demand from holiday makers leaves the only shop with empty shelves. People say we have a tesco and sainsbury as well they are just very small high priced express shops that are not adequate for a weekly shopping trip. A new lidl will bring more jobs less traffic queues. Business will stay on the island and there will be jobs
