Comments

Dear Ms Ballam,

Thank you for your consultation. I would draw your attention to the file entitled DISCHARGE OF CONDITION - ARCHAEOLOGICAL PROJECT SPEC that is included among the documentation attached to the above application on your website. I can advise that this Written Scheme of Investigation (WSI), which outlines the methodology for a programme of archaeological recording, partially fulfils the requirements of Condition 4 that has been attached to the planning permission issued in response to application APP/17/00061. I am happy to confirm that the details submitted within this document are satisfactory and I would endorse this WSI as meeting the submission and approval parts of the condition. I would note that Condition 4 will only have been fully implemented once the fieldwork involved in this recording action has been completed to the satisfaction of the Local Planning Authority.

If you have any further queries then please do not hesitate to contact me.

Yours sincerely,

Neil J. Adam BA ACIfA
