

Development Visibility Visualisations
Lockerley Road, Leigh Park.

View 1

Looking south: along St Albans Road: site is enclosed by timber fence

View 2

As seen from 3D visualisations of the proposed development, the site is concealed from view on most sides by well established trees. Therefore aspect onto the building from the road and paths will be limited.

View 3

Looking north: corner of Lockerley Road & St Albans Road

View 4
