

Dear Rachael,

APP/17/00075 | Erection of 1No. warehouse and 1No. portacabin for storage and distribution purposes (Class B8) with associated open storage, access and servicing arrangements, car parking, landscaping & associated works | Land at Hermitage Park, Harts Farm Way, Havant, PO9 1FA 18.0291

Thank you for consulting me on this application. I have no comments to make on ecological matters except that the ecological information provided with the previous application (APP/13/00911) is now 5 years old. I would welcome confirmation that the previously-agreed ecological mitigation measures remain achievable or have been carried out already.

If you have any queries please don't hesitate to contact me.

Kind regards,

Tristan
