Comment Details

Commenter Type: Consultation modified

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: It appears at first sight that this development is approved. However, there are so many ifs and buts in the approval that it would need Perry Mason multiplied by Lord Birkenhead to address them.

Question : What is the actual likelihood of the shop being opened during the remaining lifetime of, say 50% of the supporters, who seem to number about 500 out of 700 comments ?

One suspects the "Approval" to be some mealy-mouthed way of expressing a total ban.
