of £9 per dwelling.

We must stress that even by agreeing to make a financial contribution there is no guarantee that your application will necessarily be considered acceptable but by making a financial contribution you will overcome an immediate issue. In the event of permission being refused monies paid can be refunded after the expiration of the six month Appeal 'window'.

The need to address the issue of the financial contributions is also subject to a time constraint. The Government requires standards of performance on local councils to determine various types of planning applications within strict timescales. The determination of planning applications cannot be delayed whilst you consider options on how to make the necessary financial contribution. If no financial contribution has been made or legal obligation completed by the date stated earlier in this letter, we will refuse planning permission or seek your formal agreement to a further extension of time to determine the application.

We hope this letter is self explanatory. We would emphasise that it does not constitute the grant of planning permission and no formal planning decision has been made. If you have any queries about this letter and the financial contribution please contact the Case officer.

Further information on financial contributions can be found in the document 'Developer Contributions Guide' which can be found on our website www.havant.gov.uk. Further information is also available on the Solent Recreation Mitigation Partnership Financial Contribution.

Yours faithfully
