Comment Details

Commenter Type: Complainant

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: In view of the number of building works carried out in Kings Road in the last few years which have caused noise and inconvenience due to heavy lorries and numerous workers vehicles, I should like to request that work on Sundays should not be allowed. I should like assurance that the North façade of the cottages remains visually unaltered. Numbers 8 and 10 Kings Road are two separate terraced cottages but the planning details only refer to one property, 10 Kings Road, in the section headed "properties"
