Reason: - To ensure provision of a satisfactory development.

- 3 Prior to the commencement of development proposals and measures including timing for the diversion of the public sewers in the vicinity of the site shall be submitted to and approved in writing by the Local Planning Authority. The diversion works shall thereafter be carried out in accordance with the approved details.
Reason: To safeguard the amenities of the locality and ensure that all such drainage provision is constructed to an appropriate standard and quality and having due regard to policies and proposals CS16, CS19 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 4 No development hereby permitted shall commence until plans and particulars specifying the layout, depth and capacity of all foul and surface water drains and sewers proposed to serve the same, and details of any other proposed ancillary drainage works/plant (e.g. pumping stations) have been submitted to and approved in writing by the Local Planning Authority. Unless agreed otherwise in writing by the Local Planning Authority (in consultation with Southern Water), the development hereby permitted shall not be brought into use prior to the completion of the implementation of all such drainage provision in full accordance with such plans and particulars as are thus approved by the Authority.
Reason: To safeguard the amenities of the locality and ensure that all such drainage provision is constructed to an appropriate standard and quality and having due regard to policies and proposals CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 5 No development hereby permitted shall be brought into use until a detailed soft landscaping scheme for all open parts of the site outside of the compound as shown on Drawing Number 4000_GR_DR_PP_103 not proposed to be hardsurfaced has been submitted to and approved in writing by the Local Planning Authority. Such scheme shall specify the proposed finished ground levels in relation to the existing levels, the distribution and species of ground cover to be planted, the positions, species and planting sizes of the trees and shrubs to be planted and/or retained, and timing provisions for completion of the implementation of all such landscaping works. The implementation of all such approved landscaping shall be completed in full accordance with such approved timing provisions. Any tree or shrub planted or retained as part of such approved landscaping scheme which dies or is otherwise removed within the first 5 years shall be replaced with another of the same species and size in the same position during the first available planting season.
Reason: To ensure the appearance of the development is satisfactory and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.
- 6 No development hereby permitted shall commence until a specification of the materials to be used for the surfacing of all parts of the site outside of the compound as shown on Drawing Number - 4000_GF_DR_PP_103 proposed to be hardsurfaced has been submitted to and approved in writing by the Local Planning Authority. The development hereby permitted shall not be brought into use until the implementation of all such hardsurfacing has been completed in full accordance with that specification.
Reason: In the interests of the amenities of the locality and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.

Other Important Information:

- (1) This notice only relates to the decision of Havant Borough Council as Local Planning Authority under the Town and Country Planning Acts. It does not relate to any other application that may be required under the Building Regulations or under any other Act, Regulation, Byelaw or Order where the Council's approval may be needed. For further guidance as to the need for consent under the Building Regulations please phone 023 9244 6571.
- (2) Your attention is drawn to the attached information regarding firstly your right to appeal to the Planning Inspectorate, if you are aggrieved by the Council's decision, and secondly the rights of an owner to, in certain circumstances serve a purchase notice on the Council. See www.planningportal.gov.uk/pcs.
- (3) Any failure to adhere to the details of the approved plans, and other documents or to comply with any conditions listed above may lead to enforcement action being taken by the Council. If you wish to depart from the approved details or conditions in any way you should contact the Planning and Development service at the Plaza or by telephoning 023 9244 6015.
- (4) In accordance with paragraphs 186 and 187 of the NPPF Havant Borough Council (HBC) takes a positive and proactive approach and works with applicants/agents on development proposals in a manner focused on solutions by:

- Offering a pre-application advice service, and
- Updating you of any issues that may arise in the processing of your application and where possible suggesting solutions, and,

In this instance:

- Your application was acceptable as submitted and no further assistance was required.

- (5) It may be possible for the flows from the proposed development to be connected to a nearby public sewer, and the applicant may wish to investigate this option. Southern Water requires a formal application for a connection to the public sewer. The applicant is advised to contact Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk.
- (6) The applicant is advised to consult the Environment Agency directly regarding the use of a septic tank drainage which disposes of effluent to sub-soil irrigation. The owner of the premises will need to maintain the septic tank to ensure its long term effectiveness.
- (7) The applicant is advised that the Environment Agency have provided the following comments:

In addition to any other permission(s) that the applicant may have already obtained, the applicant may need an Environmental Permit for Flood Risk Activities (formerly known as Flood Defence Consent prior to 06 April 2016) as the applicant wants to carry out work in, under, over or near a main river and in the flood plain of a main river.

There are a number of elements of work which will require an Environmental Permit, such as the proposed new bridges, upgrading of existing bridges, resurfacing of existing right of way, proposed trees/planting and any other permanent or temporary works in under, over or within 8m of the Main River. For further information please visit: <https://www.gov.uk/guidance/flood-risk-activities-environmental-permits>. For any further advice, please contact your local Environment Agency FRA Permitting Office on psoeastsussex@environment-agency.gov.uk

- (8) The applicant is advised of the email from Southern Gas Network dated 21st June 2017 which can be viewed on the Council's website at the following address:
