1No. Oak, within Conservation Area of St Faiths.

Dear Michael,

I write to you in relation to application APP/17/00752 at the above address for works to an Oak tree.

Having visited the site, we wish to clarify that the specified limb removal is the dead branch without foliage that is an approximate length of 3m and the lowest limb on the western sector.

If this is the case, we would recommend permission for the application.

I would be grateful if you can reply at your earliest convenience.

Yours sincerely
