SHEDS & SECURE STORAGE

Affresol

Theft from sheds is in the Top 5 UK crimes by volume.

Affresol Sheds have the Secured by Design accreditation, which is a Police preferred specification.

Our products are now specified by Local Authorities, Housing Associations, The Ministry of Defence, Network Rail, The Construction Industry and Renewable Energy Markets.

Our Secure Storage solutions include:

- Garden Sheds and Offices
- Mobility Scooter Stores
- Cycle/Motorbike Stores
- Equipment Stores
- Beach Huts
- Caravan Park Storage
- Golf Club & Allotment Toilets
- Caretaker Storage
- Water Pump & Electric Switch Gear Storage

...and so much more!

The structural nucleus of our Sheds & Secure Storage range is TPR[®] synthetic concrete, which is made from 70% waste that has been diverted from landfill, it is 40% lighter than equivalent concrete and 6 times stronger than a traditional building block.

All of our structural buildings are available in a wide range of colours and have a high quality gel coat external finish which provides a robust, easy clean solution with a modern and attractive appearance.

...a low maintenance and highly durable solution.
