Dear Sirs,

Proposal: Application to determine whether prior approval is required for the method of demolition of buildings including slab removal and any proposed restoration of the site.

Site: Colt International Ltd, New Lane, Havant, PO9 2LY.

APP/17/01001

Thank you for your letter of 18/09/2017

Southern Water has no objection for the proposed demolition works.

Please note: The proposed development would lie within a Source Protection Zone around one of Southern Water's public water supply sources as defined under the Environment Agency's Groundwater Protection Policy. Southern Water will rely on your consultations with the Environment Agency to ensure the protection of the public water supply source.

Due to changes in legislation that came in to force on 1st October 2011 regarding the future ownership of sewers it is possible that a sewer now deemed to be public could be crossing the above property. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its condition, the number of properties served, and potential means of access before any further works commence on site.

The applicant is advised to discuss the matter further with Southern Water, Sparrowgrove House Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk.

Yours sincerely
