Subject: F.A.O Mr. Richard Baker, Re: APP/16/00686 c.1 (temporary consent for trading hours)

Dear Mr. Baker,

I can confirm that this office has not received any formal complaint alleging nuisance associated with this address since 2011. It is not clear whether the option to trade between 23:00 hrs & 06:00hrs has been exploited by the operator. Any application for extension of the temporary period, or the making permanent of the operational hours granted temporary consent in September 2016, should adequately evidence the exploitation of these trading hours. If adequately evidenced, it is unlikely that this office will object to continuation.

I trust that this meets with your requirements.

Best Regards,
