Hi Emma,

Sorry for the delayed response. Thanks for confirming that your recommendation is to grant Planning Permission. The applicants are happy to agree the extension of time to the week following the 22nd Feb (2nd March). The applicant has confirmed the colour of the windows as follows:

South - colour to remain as existing (white).

North - colour to remain as existing (black).

West - colour to match existing (precedent) gable end frame on adjoining property

Kind regards,

Rachael
