Dear Mrs McMurray,

APP/17/00527: 10A-12 East Street, Havant: Second floor extension to provide 1No. 2bed flat and 1No. 1bed flat

Thank you for your consultation. As the proposed development does not involve any ground disturbance there are no archaeological issues that I would wish to raise in this instance. 10 East Street is a Grade II Listed Building that would be materially impacted by the proposed development. I would however defer to any advice offered in this matter by the District Council Conservation Officer.

Yours sincerely,

Neil J. Adam BA ACIfA
