Dear Sirs,

Proposal: Display of 3No. internally illuminated fascia signs on the north, south and east elevations, 3No. externally illuminated hoarding signs on the north and east elevations, and 1No. internally illuminated totem sign on the north east corner of the site, adjoining Elettra Avenue.

Site: Former site of Systems Technology Park, Elettra Avenue, Waterlooville, PO7 7XW. APP/17/00227

Thank you for your letter of 07/03/2017.

Southern Water has no objections to the above proposal.

Furthermore, due to changes in legislation that came in to force on 1st October 2011 regarding the future ownership of sewers it is possible that a sewer now deemed to be public could be crossing the above property. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its condition, the number of properties served, and potential means of access before any further works commence on site.

The applicant is advised to discuss the matter further with Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk.

Yours sincerely
