

PURBROOK PARK SCHOOL

BICYCLES/MOTOR VEHICLES ON SCHOOL PREMISES

Notice to Parents

We can only give permission for a pupil to store a bicycle/moped/scooter at school when acknowledgement has first been received from the parent to the effect that the School Authorities accept no responsibility and that the vehicle will be brought to the school at the parent's risk.

It is requested therefore that the attached form should be signed by the parents before any vehicle is brought to the school.

Permission is requested for my son/daughter to store a Bicycle/Moped/Scooter at school during school hours at my own risk, and I acknowledge that the School Authorities can accept **NO** responsibility for its safe custody.

The school accepts **NO** responsibility for road worthiness or otherwise of the Bicycle/Moped/Scooter.

It is expected that you will equip your child with the necessary safety equipment, e.g. helmet, lights etc. Please always ensure your child wears something reflective, particularly during the winter months.

Please ensure that the Bicycle/Moped/Scooter is security marked and locked whilst in school.

The safe riding of the Bicycle/Moped/Scooter and any injuries are the responsibility of the parents and **NOT** the school.

If there is what we consider to be dangerous riding, or the bicycle/moped is considered unsafe, the privilege of having a Bicycle/Moped/Scooter permit may be withdrawn. Two prior warnings in most instances will be given.
