**APP/18/00048**

Thank you for your letter of 24/01/2018.

Southern Water has no objections to the above Reserved matters application relating to access, appearance, landscaping, layout and scale.

Southern Water requires a formal application for a connection to the foul and surface water sewers to be made by the applicant or developer. We request that should this application receive planning approval, the following informative is attached to the consent:

A formal application for connection to the public sewerage system is required in order to service this development, please contact Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or [www.southernwater.co.uk](http://www.southernwater.co.uk). It should be noted that Southern Water is currently consulting on the New connections charging process as directed by Ofwat. Please refer to Southern Water's website <https://www.southernwater.co.uk/new-connections-charging-consultation> for further details.

Due to changes in legislation that came in to force on 1st October 2011 regarding the future ownership of sewers it is possible that a sewer now deemed to be public could be crossing the above property. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its condition, the number of properties served, and potential means of access before any further works commence on site.

The applicant is advised to discuss the matter further with Southern Water, Sparrowgrove House, Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or [www.southernwater.co.uk](http://www.southernwater.co.uk)".

Yours sincerely
