Dear Sir/Madam

DISCHARGE OF CONDITION 4 (PILING) OF PLANNING PERMISSION APP/17/00178 - ADDITIONAL INFORMATION (WFD ASSESSMENT) - ERECTION OF 2NO. PONTOON LOCATING PILES, REPOSITIONING OF 2NO. EXISTING PONTOON LOCATING PILES AND EXTEND PONTOON 10M NORTHWARDS.

HAYLING ISLAND SAILING CLUB, SANDY POINT, HAYLING ISLAND

Thank you for consulting the Environment Agency on the above application to discharge condition 4 (Piling) of planning permission APP/17/00178.

Environment Agency Position

Condition 4

Following the submission of a piling methodology that states that all proposed piling will be undertaken using vibro piling techniques we are satisfied that the proposal will not have any detrimental impacts on migratory salmonids. Should, for any reason, this change and percussive piling is proposed instead of vibro, we ask that any piling works cease and that the Environment Agency be reconsulted.

Yours

Mr Jon Maskell
Planning Advisor, Environment Agency
