MARVIN 
Windows and Doors
Built around you.®

BUILDING ONE/WARROAD

CRAFTSMANSHIP IS ONLY THE BEGINNING

Cover: Windows shown with Ebony cladding.
Right: Window shown in Cherry with Wheat stain and Antique Brass hardware.

MARVIN WINDOWS AND DOORS

THE MARVIN DIFFERENCE

Every Marvin® window and door begins with a commitment to craftsmanship. While that means using premium materials, like hand-selected, sustainably sourced lumber, it also means relying on an expert workforce and doing things the right way, every time.

We know quality isn't an accident. It's an attribute that takes consistency.

Over the years we've constantly gone the extra mile to ensure quality is built into every product that bears our name. It's the result of tradition, innovation, and expertise united by a responsibility to provide the very best. All because we don't just make windows and doors, we build pieces of people's homes.

ULTIMATE DOUBLE HUNG NEXT GENERATION

A CONTEMPORARY CLASSIC

The Ultimate Double Hung Next Generation Window is an embodiment of our dedication to the trade of creating windows and doors. Influenced by the rich, historical significance of this window style and inspired by innovative design, each feature is thoughtfully added and each detail is carefully considered.

*Window above shown in Designer Black painted interior finish with Matte Black hardware.
Right window shown with White painted interior finish and Satin Chrome hardware.*

INTERIOR PRODUCT FEATURES

DESIGNED TO INSPIRE

- 1

RICH WOOD INTERIOR

Offers beauty and warmth with six standard wood species and ten interior finish options.
- 2

NARROW CHECKRAIL

Provides a sleek aesthetic to maximize daylight opening while maintaining historical accuracy.
- 3

DESIGN VERSATILITY

With an array of simulated divided lite patterns, interior and exterior color options, ten hardware finishes, and hundreds of roundtop sizes.
- 4

EXCLUSIVE AUTOLOCK

Activates when the sashes are closed, locking the window.
- 5

FIRST-RATE ENERGY EFFICIENCY

Meet ENERGY STAR® standards in energy efficiency with multiple glass options for various regions, climates and weather needs.
- 6

SASH BALANCE SYSTEMS

Enable smooth operation even at the largest sizes.

EXTERIOR PRODUCT FEATURES

ENGINEERED FOR PERFORMANCE

- 7

DURABLE EXTERIOR CLADDING

Made with the industry's highest level of certification, AAMA 2605, extruded aluminum and backed by a 20-year warranty against chalking and fading.
- 8

ALUMINUM INTER-LOCK

Eliminates drafts and improves the window's overall structural integrity.
- 9

EXPANSIVE SIZES

Up to 5 feet wide by 10 feet high.
- 10

TRADITIONAL SILL BEVEL

The 14-degree bevel provides optimal water management while maintaining a classic look.
- 11

SUPERIOR WEATHER PERFORMANCE

The window's performance ratings are top in class, including LC-PG50 on most sizes and IZ3 certified coastal options.

Left window shown in Cherry with Wheat stain and Antique Brass hardware.

Right window shown in Suede aluminum cladding.

GENERATIONS OF TIMELESS DESIGN.

Ultimate Double Hung Next Generation Windows and Ultimate Sliding French Doors shown with Ebony cladding and Satin Nickel hardware.

AUTO-LOCKING HARDWARE

The mechanism automatically locks the window when the sashes are closed and is painter-friendly, allowing easy removal and reattachment for painting without components shifting out of alignment.

Both windows shown in Designer Black painted interior finish with Satin Chrome hardware.

ELEGANCE EVERY DAY

Every aspect of the Ultimate Double Hung Next Generation Window was created with our customers' needs in mind, including Tilt/Wash mode. Allowing easy access to the exterior glass for cleaning and maintenance, Tilt/Wash mode helps keep every view beautiful.

ULTIMATE DOUBLE HUNG NEXT GENERATION

SUPERIOR SCREENS

Because no two projects are the same, Marvin® offers a variety of innovative screen and storm window options designed to blend into your window, meet the performance needs of your project and match the beauty of your home.

- RETRACTABLE SCREEN
- FULL OR HALF SCREEN
- TWO-LITE STORM SASH OR SCREEN
- STORM & SCREEN COMBINATIONS

Window shown with full screen and Suede aluminum cladding.

CLASSIC STYLE. VISIONARY EXPRESSION.

Windows shown with a painted White interior finish and Satin Chrome hardware.

SHADED IN SERENITY

From the amount of light to give your home to the amount of privacy to give yourself, what you need throughout the day changes. Marvin's interior shades are seamlessly integrated into the window with no edge gaps for light to bleed through and feature top-down/bottom-up operation, letting you choose your exact amount of daylight or privacy.

With finish options to match your windows or doors, a precision fit with no visible cords or pulleys, these shades blend into the background when unused.

Offering fifteen light-filtering shade colors and five colors that block out light, Marvin® shades are designed to accommodate every need. These shades are made with a durable material that holds its pleat through normal use and we offer a 10-year warranty on all fabrics.

Windows shown in Pine with Honey stain and Almond shades.

ALUMINUM CLADDING BEAUTY THAT DOESN'T FADE

Our cladding offers color flexibility to meet design goals with durability to protect against the elements. Backed by a 20-year warranty*, Marvin's impact resistant extruded aluminum cladding is 3x thicker and much stronger than the industry-standard roll-form aluminum. Standing out for its extraordinary durability in nineteen spectacular colors all finished in commercial-grade paint for superior resistance to chalking and fading, our aluminum cladding is designed to last.

WOOD SPECIES

Every master woodworker knows that one of the most important choices when crafting a new piece is selecting the right wood species for the project. With variations in grain, hardness and warmth, each one of our six standard wood species has something unique to offer. For projects that need a distinct touch, Marvin® carries several unique wood species, like Maple, Black Walnut and Western Red Cedar.

INTERIOR FINISH OPTIONS

As part of our commitment to only creating the highest-quality windows and doors, every single piece of wood in each of our made-to-order products is conditioned, sanded and baked during our integrated conditioning and staining process to provide an elegant and lasting finish. With nine stain and paint options to choose from, our customers can receive stunning, ready-to-install windows and doors without the mess, fumes, or inconvenience.

* Pearlescent Aluminum Cladding
