Subject: APP/17/00654: Osier Dell, Manor Road, Hayling Island FAO L Oliver

Dear Mr Oliver

APP/17/00654: Osier Dell, Manor Road, Hayling Island: Renovation and conversion of stable building, replacement of 1970's lean-to and re-construction of derelict East end to create 1No. 3 bedroom 2 storey dwelling

Thank you for your consultation. As the proposal involves little in the way of ground penetration it is highly unlikely that the renovation and conversion of the barn would expose any interpretable archaeological features. I would therefore not wish to raise any archaeological issues in this instance.

Yours sincerely,

Neil J. Adam BA ACIfA
Senior Archaeologist
