Dear Ms D Haywood

Land north of Havant Road and west of Selangor Ave, Emsworth

Thank you for consultation on application APP/16/00774. The latest update seeks to reduce the number of dwellings from 161 to 147, with associated changes to the internal site layout.

The reduction in dwellings is not anticipated to significantly impact on the traffic flows expected from the site. The access remains signalled and in the same location, with a slight change to the internal road alignment to the north of the site.

Our comments and requirements set out within our response dated 27th April 2017 therefore still stand.

Yours Sincerely,

Ben Clifton
