Comment: Good Evening

I see Mrs Simmons has put yet another application in for 3, Elm Grove, 5 flats or 6 will make no difference as she will get the go ahead anyway but again I see nothing about parking, this could be 12 car spaces to find, unless you are going to allocate 12 spaces in the car park for them.

It has been stated in other applications that the car park is never full and that there is plenty of side roads to park in but can I remind you that Elm Close Estate is a Private Estate we have problem now with people who are too tight to pay for the car park and some are here all day making a problem for residents to park and as we have to pay for repairs to the road its not on.

Can you please make allowances for these extra cars when you are deciding the outcome of the flats.

Thank you

Carol Reardon
