Dear Sir/Madam

Engineering works to facilitate the construction of three clay-cored sea defence embankments including: 1 no. 350m (approx) length embankment incorporating the diversion of footpaths no.45 and no.49, 1no. 270m (approx) length embankment running along the north to south boundary and 1no. 130m (approx.) length embankment to the East of Mill Lane; ground raising and associated protection works around Southern Water assets; associated drainage; and the active breach of the existing coastal sea wall to allow the creation of a dynamic inter-tidal habitat

Land East of Southmoor Lane, Havant

Thank you for consulting the Environment Agency on the above application which was received on 30 November 2017.

Environment Agency Position

We have no objection to the proposed development, which will replace the existing defences which are in a poor condition.

Should you have any further queries please do not hesitate to contact me on the number below.

Yours faithfully
