Subject: Discharge of conditions - APP/16/00295

Hi Daphney,

Arboricultural Officer comments:- A site visit was carried out (13/7/17). I have no objection to the layout of foul and surface water drainage and other underground services in relation to the existing trees and other vegetation, as shown on Drawing number 2045/SK-2. Therefore I can confirm that condition 7 of the consent has been met.

Thanks

Maria
