Comment Details

Commenter Type: Complainant

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: Our property is to the north of the proposed development. Towards the back/left of our property (or the North west of the proposed development), there is a large 6 metre high bay tree that currently blocks out some of our light and is so close to the fence that it often overhangs and has to be trimmed back. During the landscaping of the new development we would request this bay tree to be removed. It is growing right next to a mature ornamental tree whose growth is being hindered by the bay.
