RE: Removal of lowest limb 1No. Oak heavy reduction (5-6m) on large limb growing towards the west, reduction (2-3m) on higher limbs, subject to TPO 1201.

Dear Ian,

I write to you in relation to application APP/17/00816 at the above address for works to an Oak tree.

Further to your meeting on site with my colleague this morning, we would propose a new specification of: **Remove lowest limb on eastern sector & limb above where it forks of 1No.Oak; reduce limb going up by 2m & remainder of crown, subject to TPO 1201.**

Please can you email your confirmation that you are happy for us to amend the application, for which we would recommend permission?

I would be grateful if you can reply at your earliest convenience.

Yours sincerely,
