A photograph of a brick wall. The wall is made of reddish-brown bricks with light-colored mortar. Above the wall is a dark horizontal structure, possibly a roofline or a window frame, with several vertical metal rods or pipes extending upwards. In the bottom right corner, there is a rectangular stamp with a black border. The stamp contains the word 'RECEIVED' in a bold, sans-serif font, followed by the date '20 JUN 2017' and the text 'HBC Development Control' at the bottom.
