Dear Ms Myatt,

Thanks for choosing BT broadband for your business. You've just picked a great-value service, from the UK's biggest, most trusted provider - one with 99.9% network reliability and who'll be there for you if things don't go completely according to plan.

Your order number is: BOS 000000014425175. You can use it to track your order online at www.bt.com/business/trackyourorder

About your order

Here's what you ordered: BT Business Total Broadband - Advance ADSL2 Next Gen (up to 20Mb) on a 24-month Minimum Period (If you end your contract within your Minimum Period, you'll be liable for charges for the rest of the term.)

You'll find the terms and conditions for BT Business Broadband Access Service, which apply to your broadband service, at www.bt.com/business/termsandconditions. If you're including your broadband service in a Calls and Lines Package such as BT Business One Plan or BT Business Complete, separate terms and conditions for the relevant Calls and Lines Package also apply and you'll find these at www.bt.com/terms

We're planning to install your new service on 02392468903 by midnight on 22/05/2013. We've got a few line checks to do, so this date might change. If so we'll let you know.

Your phone line can support a maximum broadband speed of about 2,000kbps.
