## Comment Details

Commenter Type: Consultation modified

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: I have no objection to the development proposed but would point out that the application is not currently in strict compliance with the requirement of The Town and Country Planning (General Permitted Development) (England) Order 2015 at Schedule 2, Part 1, paragraph a.4 (2) (c), in that the mandatory requirement ("must") to provide the addresses of adjoining premises is inaccurate. The adjoining premises are numbered 4 and 5A Dornmere Lane, not 4 and 6. The incorrect numbering is shown on the "Location Plan" as well as in the written application.

The developer will be able to comply with the requirement by supplying corrected information accordingly.
