Dear Sir/Madam

Thank you for consulting Sport England on the above application.

The site is not considered to form part of, or constitute a playing field as defined in The Town and Country Planning (Development Management Procedure) (England) Order 2015 (Statutory Instrument 2015 No.595), therefore Sport England has considered this a non-statutory consultation.

Sport England notes that the proposed MUGA is to meet the specific requirements of the Section 106 agreement which includes the provision of a "free access facility" for informal or casual use. Sport England notes that the details of the design and specification of the MUGA are not provided but would expect that the MUGA is designed in compliance with Sport England's technical design guidance on MUGAs/Artificial surfaces, which can be found here: <https://www.sportengland.org/facilities-planning/tools-guidance/design-and-cost-guidance/artificial-sports-surfaces/>.

On this basis, Sport England is **content to withdraw its objection** subject to the following condition:

- The MUGA hereby permitted shall not be constructed other than substantially in accordance with Sport England's technical design guidance: *Artificial surfaces for outdoor sports (2013)*

Reason: To ensure the development is fit for purpose and sustainable and to accord with Development Plan Policy.

We would be grateful if you would advise us of the outcome of the application by sending a copy of the decision notice. If you would like any further information or advice please contact me at the address below.

Yours sincerely,

Owen Neal MRTPI
