Comments

Planning Application APP/17/01167 1 Dolphin Quay, Queen Street, Emsworth, PO10 7BU

From a landscape perspective we do not object to this application however we have the following comments:

- The two Macrocarpa are a positive addition to the vernacular of Dolphin Quay and the removal of any trees would be detrimental to the landscape character. Nonetheless the trees are causing damage to the existing wall and as such this is deemed an appropriate reason to fell the trees. We would recommend that the felled trees be appropriately replaced with UK native species to retain the landscape character. As custodians of the landscape in Emsworth it is our duty to retain its unique beauty and charm for future generations.

Best regards,

Harry Mitchell
