Image Shows 20x16 Model With Optional Black Shingles

The Dalton Log Cabin combines luxury, elegance and space with fantastic quality. Constructed from 44mm interlocking logs, the Dalton is sure to last for years to come. All sizes come with draught sealed Georgian Style double doors and joiner made opening windows, ensuring your cabin will be both warm and secure. Optionally you can upgrade to our heavy duty coloured shingles and guttering to really complete this log cabin.
