Dear Sirs

Sale of 59 Old Copse Road Havant Hampshire PO9 2YA
Our clients: Mr C Campbell-Holden & Mrs H R Funge

We act for the owners of the above property in connection with their sale of the same. The purchasers solicitors have carried out a local search on the property which refers to a Section 106 Agreement dated 23rd December 1996.

We appreciate that this document is historic but the buyers solicitors are insisting on seeing a copy and unfortunately, our client does not have one. Could you please provide this and also confirm, in writing, that the terms of the Section 106 Agreement have been complied with? *-K97*

We thank you for your assistance and look forward to hearing from you.

Yours sincerely

Cheryl Utting
