

Havant Men's Shed

43 Fraser Road, HAVANT, PO9 3EJ (formerly known as the Age Concern Centre)

Proposed additions of 4.35 x 2.5 m x 2.3m high wood storage shed for dry storage of hardwood and softwood for use by members of the Havant Men's Shed Association.

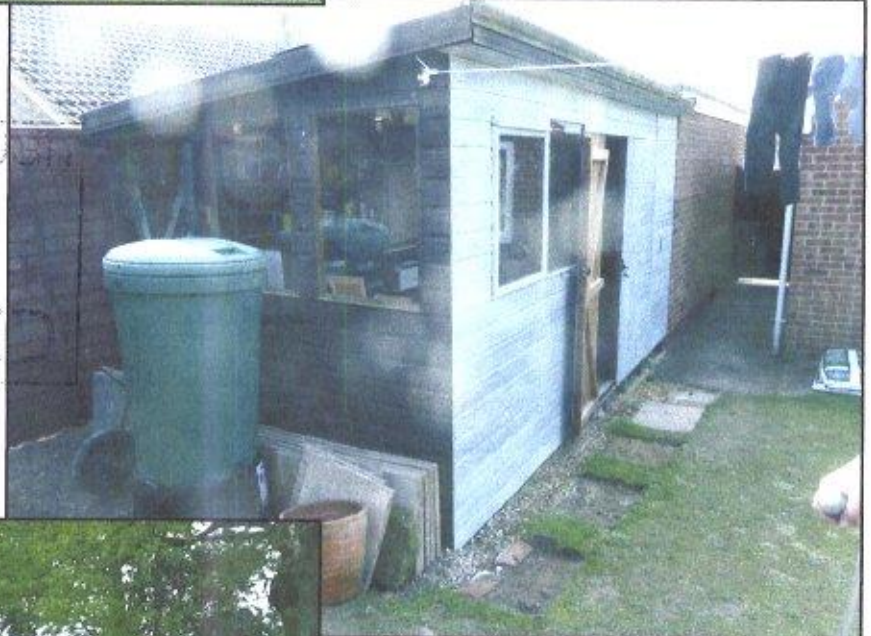

The storage building has been rescued from domestic use and will be painted to match the existing asbestos Havant Men's Shed building. The building will be supported on the existing concrete vehicle track and upon suitably located concrete paving slabs.

This side will face north (towards the existing shed)

The south and west elevations will be both windowless and doorless.

The wood storage shed before removal from its former location.
