Commenter Type: Consultation modified

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: I am a little concerned about the parking for more people to access the tea rooms if they are expanded.

Will the car park size be increased? I know that they use the field opposite the tea rooms as an overflow car park but

many people do not want to park in a muddy field so they are parking in Clovelly Rd, which does cause the residents some difficulty when parking and receiving deliveries as the road is so small.
