Comment Details

Commenter Type: Complainant

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: My comment is that the reference in the Design & Access Statement to No 8 Langstone Road. The statement reads that no 8 Langstone Road has recently been converted into flats. This is incorrect the property is one dwelling as a private house.

Further, from the western boundary into Brookmead Way the existing roof and chimney pots are clearly visible from those properties along the western boundary of the garden to No 2 Langstone Road. They will be overlooked by the proposed balcony. The additional floor will appear oppressive and give dominance to the those properties backing onto No 2 in Brookmead Way including my own with the current white chimney clearly visible from my bedroom window above the current trees.

Have the properties in Brookmead Way been advised by the Council of the proposed development of No 2 Langstone Road. I have not received a letter nor seen an application notice
